Eph. 1:19-23

## **Paul wanted us to know God's power**

*So often we get used to living like turkeys  
that we forget how to act like eagles.*

## **Why the church matters**

- Church is God's plan
- Some things that cripple a body

- Is the church a building?
    - Kingdom
    - Family
    - Temple
  
  - The church is the bride of Christ  
*Eph. 5:22-29*
- 

## **Daily Eval & Devotionals**

- What keeps me from experiencing God's power in my life?
- How do I explain what church is – building, location, people?
- Paul uses three images to portray the church  
That means we are citizens, family members and living stones.  
How should each of these images affect my actions?
